The application has been amended as follows: Claim 5 has been canceled, although applicant remarked that it was canceled, it was presented in the claim set. Accordingly, claim 6 has been made to depend from claim 1.

The following is an examiner's statement of reasons for allowance: the base claims are considered allowable over the art notwithstanding applicant's failure to discuss the reasons for the cancellation of reference to "an irregular pattern" in all of the base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
